

SOCALLT 2017

(Em)Powering Language Teaching and Learning with Technology

Location: University of Colorado BOULDER

Date: April 28-29, 2017

Keynote Speaker: Dr. Bill VanPatten

CALL FOR PROPOSALS-Deadline February 15

We're looking for language learning and teaching professionals who want to share their research findings, teaching strategies, and innovative tech implementations. Come share and generate discussion with other teachers, professors, and researchers about how technology has transformed your teaching and benefited your learners.
